Dear Dr Mirisola,

I am pleased to inform you that the World Health Organization has designated the Department for International Relations, Relation with Regions and project cycle management, National Institute for Health, Migration and Poverty – INMP as a WHO Collaborating Center on Health and Migration Evidence and Capacity Building, under WHO's reference number ITA-114. As previously agreed, yourself and Dr Gianfranco Costanzo will act as Heads of the Centre. Should there be any change in the future, please inform WHO without delay.

The agreed terms of reference and workplan of the Centre are attached. We wish to emphasize that institutions designated as WHO collaborating centres are expected to implement the agreed workplan in a timely manner and to the highest possible standard of quality. Any issue that may affect the implementation of the agreed workplan should be brought to the attention of the WHO responsible officer, Dr Santino Severoni, email severonis@who.int. For information on administrative matters, please visit the WHO website: <http://www.who.int/collaboratingcentres/information/en/>.

We wish also to emphasize that institutions designated as WHO collaborating centres must comply with the attached *Terms and conditions for WHO collaborating centres*. Please note that the WHO name and emblem may only be used by a WHO Collaborating Centre as described in the terms and conditions. On the anniversary of the designation date, institutions designated as WHO collaborating centres must complete a short online progress report. Details will be sent to the email address of the Head of the Centre specified in designation form.

The designation as a WHO Collaborating Centre will be effective for a period of four years, as from 30 April 2019 and will automatically end on 30 April 2023 unless redesignation has been approved by WHO before that date. During the period of designation, either party may revoke the designation at any time by giving three months advance notice in writing.

I look forward to our successful collaboration.

Yours sincerely,

Dr Zsuzsanna Jakab
Regional Director
